

Introducing the new 3M™ Super Close Projection System 700 Series

3M Super Close Projection System SCP715

Whether you're looking for bright and colorful projected presentations, or have room space constraints, the 3M Super Close Projection System SCP715 is the ideal solution. Utilizing 3M's patented technology, you can display large images with this tabletop or ceiling mounted projector close to the screen, for the ultimate professional image.

- 2200 lumens
- DLP, XGA (1024 x 768) projector with Brilliant Color™
- 30" - 120" images - superclose to the screen
- Fully integrated connectivity for multiple devices
- 3 Year Standard Warranty

3M Super Close Projection System SCP716

Designed with a modular "build-what-you-need" concept, receive the benefit of 3M's Vikuiti™ Super Close Projection technology with the 3M SCP716's basic VGA and USB connections, all the way up to a full connectivity system that can turn even a standard dry erase board into an interactive whiteboard system.

- 2400 lumens
- XGA (1024 x 768) resolution
- 3M Vikuiti Super Close Projection patented technology
- Folding and fixed wall mount options
- Lamp life: 5,000 hours (eco mode)
- 5% Vertical lens shift
- 3 Year Standard Warranty

3M Super Close Projection System SCP717

One of the first high brightness, XGA super close projectors to market, the 3M Super Close Projection System SCP717 is the ideal presentation solution. Display large images with this tabletop or ceiling mounted projector – a perfect solution for large room ceiling mounts.

- 3000 lumens
- XGA resolution (1024 x 768)
- Six segment color wheel with Brilliant Color™
- 3 Year Standard Warranty
- 30" - 120" images - superclose to the screen

3M Super Close Projection System SCP740

The first high brightness, WXGA projector to be available with super close projection technology, the SCP740 has the benefits of DLP™ Brilliant Color™ and an integrated wind tunnel for fan noise reduction. Works better than traditional ceiling mounted projectors because the extreme off axis throw distance reduces light in the presenter's eyes and the full connectivity makes it the perfect tabletop media hub tool.

- 2600 lumens
- WXGA resolution (1280 x 768)
- Great for WXGA laptop and popular video formats
- 3 Year Standard Warranty
- Six segment color wheel with Brilliant Color™
- 30" - 98" images - superclose to the screen

Every digital board needs a projector.

MAKE IT A 3M!!

General Limited Warranty

3M warrants that when the 3M Product is used according to 3M's Intended Use Statement (www.3m.com/meetings), it will perform satisfactorily for the warranted durability period as stated in the applicable 3M Product Manual in effect at the time of purchase. The warranties stated in the applicable 3M Product Manuals are exclusive and are made in place of any and all express or implied warranties or conditions, including any implied warranty of merchantability or fitness for a particular purpose, or any industry practice or custom or trade usage. Failure to follow the instructions contained in the appropriate 3M Product Manual or to use the 3M Product in accordance with 3M's Intended Use Statement, will void all warranties and limited remedies.

EXCEPT AS SPECIFICALLY STATED IN THE APPLICABLE 3M PRODUCT MANUAL, 3M SHALL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES (INCLUDING, BUT NOT LIMITED TO, LOSS OF PROFITS, REVENUE OR BUSINESS) RESULTING FROM, OR IN ANY WAY RELATED TO PERFORMANCE, USE OR INABILITY TO USE ANY OF THE 3M PRODUCT. This limitation applies regardless of the legal theory upon which damages are sought. If 3M Product is defective within the applicable warranty period, your exclusive remedy shall be, at 3M's option, to replace or repair the 3M Product or to refund the purchase price of the 3M Product. All replaced parts or products become property of 3M. If the 3M Product is repaired, 3M will repair the defective part(s) with a new or used part(s). If the 3M Product is replaced, 3M will replace the product with the same or equivalent model and with a new or refurbished product. In the case of an approved warranty claim, the replacement 3M Product will carry only the remaining term of the original 3M Product's warranty period as stated in the applicable 3M Product Manual. For warranty service, you must provide proof of the date of the original purchase, otherwise the manufacturing code date will be used to establish the start date of the warranty.

3M Product Manuals include durability statements and may include limitations specific to the product(s) being used or its intended applications, which take precedence over any statement made here. Warranty terms, limitations and exclusions may differ outside the United States of America.
